#### Remarks

Wake up to tranquil pond views and the rare privacy every golfer appreciates-no cart path behind the home, just water, nature, and morning light. Located in Esplanade at Lakewood Ranch, this golf-deeded residence includes full golf privileges and delivers a true resort lifestyle where luxury meets everyday ease. Inside, refined architectural details immediately stand out. Crown molding throughout, spectacular coffered ceilings, and abundant recessed lighting create a sophisticated yet inviting atmosphere. A dedicated den/office with French doors provides the perfect space for working from home, a private study, or a quiet retreat. Designed for entertaining, the home features a wet bar with a wine cooler and a chef-inspired kitchen showcasing Monogram appliances, 42" cabinetry with glass uppers, and Sonos speakers both inside and outside on the lanai. The primary suite is a peaceful sanctuary complete with floor to ceiling custom blackout drapes and custom built-in closet systems. While the secondary bedrooms offer comfort for guests, the murphy bed allows the owner the flexibility to also use the third bedroom for crafts or exercise. Outdoor living truly shines on the private lanai-recently re-screened in November 2024-and fully equipped with remote roll-down hurricane screens.
